

SECTION 9.0: POST 16 EDUCATION AND TRANSPORT

AT THE TIME OF THIS PUBLICATION (JUNE 2007) THE POLICY FOR SCHOOL TRAVEL & TRANSPORT IS UNDER REVIEW AND COULD WELL CHANGE.

9.1 What education opportunities are there after the age of 16?

There are many high schools with Sixth Forms offering Post-16 study including, in some cases, vocational qualifications. The schools with Sixth Forms are shown in [section 15](#) of this booklet.

Alternatively, there is a Sixth Form College and Colleges of Further Education offering a wide range of Post-16 and vocational study, as shown in paragraph 9.4 below.

All enquiries for admission to school Sixth Forms or Colleges should be made direct to the school or college.

9.2 Contact details for information on transport for Post 16 education

Due to the ongoing changes in Post-16 transport the policy is liable to change and parents and students are advised to seek advice from the Education Travel Team on the most current policy when applying.
