

Dear

**Notice of review of polling district & polling places within the Wychavon District Council area (Under s18 of the Representation of the People Act 1983 (as amended))**

The District Council is undertaking a periodic review of polling districts and polling places and invites any interested parties, political groups and electors to make comments on any changes they wish to be considered.

The review will not affect ward boundaries and each parish in England must be in a separate polling district. A summary of current electoral arrangements has been attached and maps of current boundaries can be inspected by contacting the Democratic Services Section at the Civic Centre, Pershore.

Representations should be made in writing, including any suggestions for alternative venues for polling stations, by Friday 14<sup>th</sup> September 2007.

Yours faithfully

Elaine Dicks  
Democratic Services Officer
