NOTES

1. The attention of candidates and electors is drawn to the rules for filling up nomination papers and other provisions relating to nomination contained in the election rules in Schedule 2 to the Local Elections (Parishes and Communities) Rules, 2006.
2. Where a candidate is commonly known by some title they may be described by their title as if it were their surname.
3. Where a candidate commonly uses a name which is different from any other name they have, the commonly used name may also appear on the nomination paper but if it does so the commonly used name (instead of any other name) will appear on the ballot paper.
4. But the ballot paper will show the other name if the returning officer thinks the name may:
 - (a) be likely to mislead or confuse electors, or
 - (b) that the commonly used name is obscene or offensive
5. An elector may not :-
 - (a) subscribe more nomination papers than there are vacancies to be filled in the ward in which the election is held; or
 - (b) subscribe a nomination paper for more than one ward in a parish or community divided into wards.
6. In this form "elector"-
 - (a) means a person whose name is registered in the register of local government electors for the electoral area in question on the last day for the publication of notice of election, and
 - (b) includes a person then shown in the register as below voting age if (but only if) it appears from the register that he will be of voting age on the day fixed for the poll.
7. However, a person who has an anonymous entry in the register of local government electors cannot nominate a candidate for election.
